

"Let us come before his presence with thanksgiving,
and make a joyful noise unto him with psalms."
Psalm 95:2(KJV)

"Education through the Lens"

The vision of the Chairman Dr. Pinto, is taking wing as it equips the students with the skills for yet another career option.

BBN

Beyond Breaking News.

T.V. News Presentation and Production Course.

BBN Summer Course – 2016

Aim.

The aim of the course is dual in nature vis-à-vis the T.V. news journalism.

Course On Line Data [C.O.L.D.]

The first couple of weeks will familiarize the students with the peculiarities and challenges of online journalism, to identify news and current affairs topics suitable for telecast for various target audiences, and to plan, research and write articles dealing with current affair topics. Students will be given online Tasks after each Module has been completed and the same will have to be submitted within a given timeframe. Necessary **online tutorial** support shall be provided to the participants via **Course On Line Data** by the Producers at RYAN TV [on 022 28405959- 10 am to 6 pm].

Hands On Training [H.O.T]

The Hands On Training for all the participants will include operation on a multi camera setup inside a T.V. Studio, lighting, lenses and usage, framing, depth of field, sound recording and video recording system on a single camera set up, script for newscast, familiarization with post production non linear editing techniques. They will be taught: How to conduct T.V. interviews for the bulletin and to make the course participant aware of the ethics of T.V. news journalism.

Fees:

R. 15,000/- only (pay order/dd in favour of "RYAN DOTWORLD TECHNOLOGIES PVT LTD")

Registration:

Please submit along with the fees, student's name, standard, div, and one photograph along with date of birth and email id, address, and contact number to ryantv@ryangroup.org
